

Does your child need a sweat test to diagnose or rule out Cystic Fibrosis?

The **What? Why? Children in Hospital (WWCIH)** charity makes videos to show you what happens in hospital. You could watch the videos alone or together depending on your child's age and ability. It can be helpful to watch the video with your child the day before, or on the morning of, the appointment.

wwcih.org.uk/sweat-test

*Please note that the actual tests might vary from what is shown in the videos.
Contact the hospital if you have concerns about your child's appointment.*
